My question now remains, are you wanting to leave the mailroom

If you saw a position anywhere other than Hyundai—I have no control over it---for instance someone told me about a spot in Mobile—I couldn't help with that, the office may be able to get you the contact information for that area.

If there is another site in Montgomery---again, I couldn't help with that—the office can.

Good morning,

John McClenney has a shop that is behind the post office off of Eastern Blvd. If you go up the road between Wells Fargo Bank and the post office you will see a shopping center on your right. Once you make the right into the shopping center take that immediate left go to the last store on the right—you will see Another Chance liquor store, right next to it (around the corner of it) is the hair shop Uptown Tanz International Barber & Nail Salon.

The locs' have to be styled—if you have any pictures that you see, let's look at those first.
